AWI QCP

Roadmap to the AWI Standards

Our Roadmap to the AWI Standards will help you navigate through the different standards. You can find information on how to access the AWI Standards and the Architectural Woodworking Standards by visiting our website at :

awiqcp.org/a-guide-to-the-awi-standards-of-architectural-woodwork/

If your project is specified as AWS 2nd Edition, or your project was bid before March 15, 2019, utilize the following sections.

SECTION 5 - Finishing

SECTION 9 - Doors

SECTION 6 - Millwork/Storage

SECTION 10 - Casework

SECTION 7 - Stairwork & Rails

SECTION 11 - Countertops

SECTION 8 - Wall/Ceiling Surfacing and Partitions

SECTION 12 - Historic Restoration Work
